MEMORANDUM FOR: The Honorable Zbigniew Brzezinski
Assistant to the President for
National Security Affairs

The meeting with Senators Bayh and Huddleston on charters tomorrow has come up so quickly I don't know what materials are being furnished the President as background. I have developed a very short memo (attached) which sets forth my view of the one key point.

MEMORANDUM FOR THE PRESIDENT

SUBJECT: Meeting with Senators Bayh and
Huddleston on 30 January 1980

I believe there is one important point to get across to Senators Bayh and Huddleston in their meeting with you on charters on Wednesday morning. This is that while you fully support the enactment of charters, you request they consider other forms of relief from restraints if it becomes apparent that the charters will not pass the Congress in 1980. Specifically, we need relief from Hughes-Ryan, Freedom of Information Act, and what is known as Identities Legislation.
